

SUNDAY SCHOOL BOYS MAKE NEW RECORDS

Medley Relay Team of Central Congregational Wins Out Old Mark.

Helps Win Point Trophy.

Their Track Team Gains Early Lead in Scoring and Stays Ahead.

These matches were in order last night at the annual games of the Sunday School Athletic League of Brooklyn in the Fourth Avenue Armory, and the large number of youthful spectators who were there to cheer their favorites had plenty of reason to cheer. Central Congregational won away to an early lead for the point trophy and never was headed.

The former record was topped over in the championship medley relay race, which was won by the first team of the Central Congregational in 3 minutes 43.5 seconds. The old time was 2:15.5 seconds and was made by the boys from the Central Congregational on May 7, 1910. The quartet which took the new record was composed of A. Engels, B. Bardsley, R. E. Daisley and E. Marks. Engels and Marks each ran a furlong, Bardsley a half mile and Daisley a quarter mile. Central Congregational team was second, and third place went to the Fourth Avenue Methodist Episcopal.

W. Freeman of Central Avenue Congregational carried for him a clean cut victory in the half mile run. At the start he held back, being perfectly willing to let the others show pace. When a little distance had been covered, he stepped forward, let out and rapidly moved to the front. At the finish he was fifteen yards ahead of George Bruckner of the Fourth Avenue Methodist Episcopal. The score was a good third.

Records were equalled in the 75 yard dash championships for seniors and intermediates. The senior mark of 10 seconds, made by G. F. Roessel of Central Congregational on May 2, 1906, was tied by another Central Congregational boy, G. F. Roessel, who ran the race in 10 seconds, made May 7, 1910.
